Cross-sectional Height:

0.424 inches

Peripheral Diameter:

1.995 inches

Special Features:

2 notches equally spaced on each side

Material:

Plastic polytetrafluoroethylene

Material Specification:

Turcon/wss specification zz-53 fscm 97820 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
