Overall Length:

48.000 inches

Overall Width:

10.800 inches

Cross-sectional Height:

0.760 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
