| Cross Sectional Shape:                                             |
|--------------------------------------------------------------------|
| Solid single or composition                                        |
| Hole Diameter:                                                     |
| 0.375 inches                                                       |
| Overall Length:                                                    |
| 14.000 inches                                                      |
| Overall Width:                                                     |
| 4.625 inches                                                       |
| Cross-sectional Thickness:                                         |
| Between 0.050 inches and 0.072 inches                              |
| Bolt Hole Quantity:                                                |
| 4                                                                  |
| Special Features:                                                  |
| Two bolt holes 0.500 in. Dia                                       |
| Material:                                                          |
| Rubber chloroprene class cr                                        |
| Material Specification:                                            |
| Mil-g-1149, type 2 military specification single material response |
| Shelf Life:                                                        |
| N/a                                                                |
| Unit Of Measure:                                                   |
|                                                                    |
| Demilitarization:                                                  |
| No                                                                 |
| Fiig:                                                              |
| A032a0                                                             |
| Mil-std (military Standard):                                       |
| Mil-g-1149 spec.                                                   |
|                                                                    |
