Fragility Factor:

Rugged

End Application:

6530-01-049-0427

Component Quantity:

3

Supply Items And Quantities:

5330-00-c166-0992 packing preformed 1; 5330-01-005-0506 packing preformed 1; 5330-01-007-4887 packing preformed 1

End Item Source:

80307

Usage Design:

Fill valve kit

Container Type:

Envelope

Model Number:

1000

Approximate Shelf Life:

60.0 months

End Item Name:

Sterilizer surgical instrument and dressing

Cubic Measure:

1.728 cubic inches

Unpackaged Unit Weight:

0.010 pounds

Security Classification:

Unclassified

Purchase Description Identification:

80307-62823

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
