Hole Diameter:

0.531 inches

Outside Diameter:

6.500 inches

Cross-sectional Thickness:

0.031 inches

Bolt Hole Quantity:

2

Special Features:

Two bolt holes centered one in. On either side of centerline and one hole 0.688 in. Diameter centered 2.688 in. From centerline inline with other two holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
