Attachment Method:

Round hole

Attachment Feature Quantity:

2

Cross-sectional Height:

1.250 inches

Center Hole Diameter:

1.000 inches

Material:

Steel

Material Specification:

Il-s-867 military specification 10th material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

spec.
