Attachment Method:

Round hole

Attachment Feature Quantity:

2

Attachment Hole Diameter:

0.375 inches

Center Hole Diameter:

0.562 inches

Material:

Steel uns k03504

Material Specification:

Astm a105 assn standard 1st material response or astm a216 assn standard 2nd material response or astm a216 assn standard 3rd material response or astm a216 assn standard 4th material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
