Attachment Method:
Round hole
Attachment Feature Quantity:
2
Attachment Hole Diameter:
0.375 inches
Center Hole Diameter:
0.562 inches
Material:
Steel uns k03504
Material Specification:
Astm a105 assn standard 1st material response or astm a216 assn standard 2nd material response or astm a216 assn standard 3rd
material response or astm a216 assn standard 4th material response
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
A032a0
