Construction:

Solid

Criticality Code Justification:

Zzzy

Special Features:

0.125 inch thk, 12.275 inch to 12.280 inch id, 13.010 inch to 13.020 inch od trim as necessary for tight fit

Material:

Plastic polytetrafluoroethylene

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
