## NSN 5330-01-228-4753

Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-01-228-4753

Cross-sectional Height:
0.094 inches
Center Hole Diameter:
2.046 inches
Criticality Code Justification:
Zzzy
Special Features:
Change inc gasket metallic o ring to gasket.
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
