Hole Diameter:

0.562 inches

Aperture Length:

7.062 inches

Criticality Code Justification:

Zzzy

Material:

Asbestos

Style Designator:

Oval

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
