Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-01-238-9052

# Cross-sectional Height:

0.125 inches

# Center Hole Diameter:

2.177 inches

# Criticality Code Justification:

Zzzy

#### **Special Features:**

Change inc gasket metallic o ring to gasket.

#### Material:

Nickel alloy 600

#### **Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

#### Shelf Life:

N/a

#### Unit Of Measure:

# Demilitarization:

No

---

# Fiig:

A032a0
