Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-01-238-9052

Cross-sectional Height:
0.125 inches
Center Hole Diameter:
2.177 inches
Criticality Code Justification:
Zzzy
Special Features:
Change inc gasket metallic o ring to gasket.
Material:
Nickel alloy 600
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
