Criticality Code Justification:

Zzzy

Special Features:

0.312 in. I.D.X0.562 in. O.D.X0.250 in. Height nom.; material ethylene propylene

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
