Functional Description:

Door-fairing, ldg gr, wing, assy of

Material:

Rubber silicone class q

Material Specification:

Ams3315 assn standard single material response

Reference Data And Literature:

Mfg pt list 75a150070

Type/model Designation:

Av8b, eav8b, tav8b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
