Criticality Code Justification:

Zzzy

Material:

Rubber butadiene-acrylonitrile class nbr

Material Specification:

Mil-p-25732 military specification all material responses

Reference Number Differentiating Characteristics:

Requires special cleaning and packaging for oxygen and nitrogen service

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-p-25732 spec.
