Criticality Code Justification:

Zzzy

Special Features:

Material rubber, silicon zz-r-765 length 199.0 in; 0.437 in. Dia

Material:

Rubber silicone class q sealing element

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
