**Criticality Code Justification:**

Zzzy

**Special Features:**

Material rubber, silicon zz-r-765 length 199.0 in; 0.437 in. Dia

**Material:**

Rubber silicone class q sealing element

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
