**Criticality Code Justification:**

Zzzy

**Special Features:**

Outside dia. Is 0.472 inch; inside dia. Is 0.322 inch

**Material:**

Nickel

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
