Criticality Code Justification:

Zzzy

Special Features:

Outside dia. Is 0.472 inch; inside dia. Is 0.322 inch

Material:

Nickel

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
