**Criticality Code Justification:**

Zzzy

**General Description:**

Material stainless steel astm-a276 type 304 cond a; mil-i- 45208; mil-std-792/i.C. 1/; mil-std-129; mil-p-23199; ansi-b46.1

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
