Cross Sectional Shape:

Rectangular

Overall Length:

8.500 inches

Cross-sectional Height:

0.180 inches

Cross-sectional Width:

0.125 inches

Construction:

One-piece

Material:

Rubber silicone class q

Material Specification:

Ams 3195 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
