Criticality Code Justification:

Zzzy

Special Features:

Matl asbestos, ni-cu mil-g-21032 type 2 cl c mod

Specification Data:

81349-mil-g-21032 government specification and 96906-mil-std-129 government standard and 81349-mil-i-45208 government specification

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
