Overall Length:

8.500 inches

Overall Width:

0.500 inches

Special Features:

Asbestos metallic jacket

Material:

Rubber silicone class q core

Material Specification:

Mil-g-17927 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-g-17927 spec.
