**Fabrication Method:**

Solid

**End Application:**

Aircraft model av-8b

**Construction:**

One-piece

**Special Features:**

Dacron fabric cover

**Material:**

Rubber synthetic internal

**Material Specification:**

Zz-r-765, class iiib, grade 50 federal specification single material response internal

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
