

View Online at <https://aerobasegroup.com/nsn/5330-01-298-2835>

Criticality Code Justification:

Zzzy

Special Features:

Outside diameter after plating 8.187/8.182, inside diameter after plating 7.150/7.145, height 1 porm 1/64

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08400
