Cross Sectional Shape:

Emi hollow d

Cross-sectional Height:

0.440 inches

Special Features:

Gasket length 107.120

Material:

Rubber

Material Specification:

Mil-std-670 grade sce ii military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-std-670 spec.
