Criticality Code Justification:

Zzzy

Special Features:

Packing material consist of 12 rings, size: 1.250 id x 2.000 od, stack height: 1.063 inch, style: c-vh, size number: 2032

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
