**Criticality Code Justification:**

Zzzy

**Special Features:**

Material-monel with graphite filler; size-1.960in od x 1.520in id x .100in deep groove; thickness shall be .100in with 2, 530lb applied load

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
