## **Criticality Code Justification:**

Zzzy

# **Special Features:**

Material-polytetrafluroethylene (polytetrafluoroethylene) per mil-p-24074

#### Material:

Plastic polytetrafluoroethylene sealing element

#### **Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

#### Shelf Life:

N/a

## Unit Of Measure:

---

#### Demilitarization:

No

Fiig:

A032a0
