Special Features:

Type 2, class c, grade 3, formerly sce 43.

Material:

Rubber chloroprene class cr

Material Specification:

Astm d1056, 2c3 assn standard single material response

Specification Data:

78286-70216-02401 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
