Cross Sectional Shape:

O-ring

Cross-sectional Height:

0.190 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/8 federal specification single material response or qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
