**Cross-sectional Height:**

0.093 inches

**Center Hole Diameter:**

1.937 inches

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Material Specification:**

Sae cl ii military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0

**Mil-std (military Standard):**

spec.
