Cross-sectional Height:

0.250 inches

Peripheral Diameter:

Between 0.468 inches and 0.470 inches

Material:

Steel comp xm-12

Material Specification:

Ams 5659 assn standard single material response and ams 5862 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
