Seal Width:

0.250 inches

Special Features:

8 inches i.D., 8.500 inches o.D.

Material:

Plastic polyurethane sealing elementrubber butadiene-acrylonitrile class nbr spring

Material Specification:

Lubrithane, cage 57532 mfr ref single material response sealing element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
