Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 4.472 inches and 4.502 inches

Peripheral Diameter:

4.693 inches

Elongation Percentage:

200

Hardness Rating:

60.0 rockwell c and 70.0 rockwell c

Material:

Rubber butadiene-acrylonitrile class nbr

Specification Data:

96906-ms9021 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
