Material:

Rubber butadiene-acrylonitrile class nbr packingplastic polytetrafluoroethylene retainer

Material Specification:

Mil-p-83461 military specification 1st material response packingturcon-99 mfr ref 2nd material response retainer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-p-83461 spec.
