Cross Sectional Shape:

Cup intermediate ring

Inside Diameter:

2.280 inches

Outside Diameter:

3.000 inches

Joint Type:

Butt intermediate ring

Environmental Attribute Code:

Asbestos alternative products

Special Features:

As differentiated by n0n-asbestos material

Height:

Between 4.500 inches and 4.750 inches

Material:

Graphite top ring and plastic polytetrafluoroethylene top ring

Specification Or Standard:

1 type and w size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-p-16685 spec.
