Hole Diameter:

0.560 inches

Aperture Diameter:

2.060 inches

Center To Center Distance Between Bolt Holes Along Width:

2.500 inches

Center To Center Distance Between Bolt Holes Along Length:

2.500 inches

Bolt Hole Quantity:

4

Environmental Attribute Code:

Asbestos alternative products

Special Features:

Made from non-asbestos material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
