End Application:

F-16 acft, brake assembly

Special Features:

Carbon/graphite filled ptfe retainer; similar to 5330011088221

Color:

Black

Material:

Plastic polytetrafluoroethylene retainer and carbon retainer and graphite retainer

Material Specification:

Cagec 05939, fluoroloy b mfr ref single material response retainer

Reference Data And Literature:

T.O. 4b1-2-1164

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
