**End Application:**

F-16 acft, brake assembly

**Special Features:**

Carbon/graphite filled ptfe retainer; similar to 5330011088221

**Color:**

Black

**Material:**

Plastic polytetrafluoroethylene retainer and carbon retainer and graphite retainer

**Material Specification:**

Cagec 05939, fluoroloy b mfr ref single material response retainer

**Reference Data And Literature:**

T.O. 4b1-2-1164

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
