Cross-sectional Height:

1.310 inches

Peripheral Diameter:

Between 3.990 inches and 3.995 inches

Special Features:

Labyrinth grooves on inside diameter

Material:

Carbon and graphite

Material Specification:

Morganite cy2c mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
