**Cross Sectional Shape:**

Circular

**Fabrication Method:**

Braided

**Cross Section Outside Diameter:**

0.250 inches

**Environmental Attribute Code:**

Asbestos alternative products

**Material:**

Plastic, polytetrafluoroethylene

**Material:**

Plastic polytetrafluoroethylene

**Specification Or Standard:**

A class and a composition

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800

**Mil-std (military Standard):**

Mil-p-16685 spec.
