Special Features: Item must comply with requirements of defense supply center columbus production standard no lo1622  Material: Rubber silicone class q  Special Test Features: Special quality control testing  Test Data Document: 81349-mil-p-23199 specification (includes engineering type bulletins, brochures, etc., that reflect specification type data in specification format; excludes commercial catalogs, industry directories, and similar trade publications, reflecting general type data on certain environmental and performance requirements and test conditions that are shown as "typical", "average", "", etc.).  Reference Number Differentiating Characteristics: As differentiated by material which must conform to ships parts control center special quality control provisions  Shelf Life: N/a  Unit Of Measure: Demilitarization: No Flig: A032a0	Criticality Code Justification:
