## NSN 5330-01-465-4379

Plain Seal - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-01-465-4379

Cross Sectional Shape:
C-section w/ helical spring
End Application:
F-15
Construction:
Two-piece
Product Name:
C-seal gasket
Special Features:
Seal heigth 0.078 to 0.086; id 0.233 to 0.241; seal width uncompressed 0.074 to 0.078
Material:
Plastic polytetrafluoroethylene sealing element
Material Specification:
(99193)fluoroloy k mfr ref single material response sealing element
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
