End Application:

Valve; nimitz class cvn

Special Features:

dimensions od .9687 in/ id .625 in.

Material:

Graphite

Material Specification:

Mil-p-24503 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-p-24503 spec.
