End Application:

Valve; nimitz class cvn

Special Features:

Type-2, class-2, grade-n, with a i.D. Of 0.537, o.D. 0.835 and thickness-0375

Material:

Graphite

Material Specification:

Mil-p-24503 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-p-24503 spec.
