**Nonmetallic Hardness Rating:**

Not rated

**Min. Tensile Strength (psi):**

Not rated

**Width:**

60.000 inches

**Thickness:**

0.062 inches

**Length:**

60.000 inches

**Surface Condition:**

Any acceptable both sides

**End Application:**

Trap, steam in; strategic sealift conversion s

**Product Name:**

Sheet, nonmetallic, protective

**Color:**

Any acceptable both sides

**Material:**

Rubber and fiber, nonasbestos

**Material:**

Rubber and fiber, nonasbestos

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
