End Application:

Aircraft carrier cvn 71, hatch ballistic - flt dk arg gear barr webbing stow

Product Name:

Gasket, 0.188 thick

Material:

Rubber synthetic and cork

Material Specification:

Mil-c-6183, class 1, grade firm military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-c-6183 spec.
