End Application:

Case assembly part number aed69545-501, rev. D

Special Features:

Fungus resistant material; outsidiameter 0.225 inches; approximately 43.820 inches long

Material:

Rubber synthetic

Material Specification:

Mil-std-417 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-std-417 spec.
